March, 2024

Dear Friends of the Word of God,

HAPPY ANNOUNCEMENT!! In a little more than a week, we will be traveling to teach on-site some of our beloved mountain tribal pastors and leaders in our favorite Southeast Asian nation! After two years of using Zoom internet to continue the Biblical training they desperately need, the Lord has opened the door for us to return in person. We will return to the USA just before Resurrection Sunday.

Thank you to **all of you** who have contributed to our translator's reliable used car need. Thank you, also, to many of you contributing to the Bibles' distribution project, which will be delivered into the mountain areas by the car. Thank you as well to those of you who contribute to our regular monthly missionary support, making this journey possible!

This effort cannot be accomplished without your prayer! We are counting on you to pray about the journey, the training, and that our health remain strong.

With love and thankfulness,

Dave and Debbie Nunemaker
