“Loving God and Loving Others”

Perhaps one of the reasons we so feebly bear the marks of Christ’s transforming work in our lives is that we refuse to pay the heavy price. We want to be delivered from our troubles instead of being delivered from our sin. We want to be like our affluent neighbor instead of our rich Savior.

We have received the next installment of **Community Bible Experience** books and will do an all-church experience during Lent (which is coming up in a month). This time we are reading through the Pentateuch (first five Old Testament books). Last time we met on Sunday nights at church. This time we may meet in homes if that is desired. Would four or five people like to host? Last time we did it all in 8 weeks. This time we will do it in 16 weeks, with a break halfway through.

BLANKETS FOR KENYA: Just a reminder that we are collecting blankets for the deaf school children in Kenya. The 50x60" throws can be purchased at Shopko and Walmart. We have more than half the number of blankets needed so far thanks to your generosity. Let's fill those totes in the lobby to overflowing. Remember also no African animal prints please.

As we move into a new year, we are looking for some people to become involved in church life. Everyone can serve in some capacity. God gives everyone gifts to build up His Church and to serve the world. An ideal situation is something we call **W + 2**, which is participating in worship + 2 other things: one which allows you to serve and one in which you are served. We are looking for someone to coordinate and lead **Christian Education** (Ministry Team Leaders will be church members, but anyone can serve on a team). Christian Education includes: adult ministries, youth ministries, children's ministries, Sunday School, CHIC, camp, VBS, Christmas and Easter programs, Men's and Ladies' groups, Community Bible Experience...anything related to education and Discipleship, including a yearly budget. We are also looking for a new **Missions Team Leader**. Missions include local and global outreaches, giving information about the missionaries we support, making arrangements for missionary visits, reviewing the mission budget each year and helping people to join in mission projects in which they would like to invest. If interested, see Brad Jacobson or Pastor Steve.
