After a year of heightened racial tensions, now is the time to come together as the Church and reflect the love of Christ to our city.

[Pray on MLK](#) is a Worldwide movement on Martin Luther King Jr. Day, January 18, 2021. Leaders from around the country will be participating in united prayer, worship, and public action for our nation. I'm excited to share with you that our city will be one of those locations.

We are working in conjunction with [Civil Righteousness](#). The mission of Civil Righteousness is racial reconciliation and restorative justice through spiritual, cultural and economic renewal. We're passionate about this organization because it displays God's heart for unity that transcends the many cultural lines in our country.

Revelation says heaven will contain people from every nation, tribe and tongue. While we are wildly excited for that day, we don't want to wait for eternity to see this happen! We believe that this event will be a continuation of cross-cultural unity that's already been happening in Lansing. We're excited about the recent movements and moments that have been bringing God's people together. So, we desire for this event to not only be ethnically diverse, but denominationally diverse as well.
