Celebrate Recovery

A CHRIST CENTERED RECOVERY PROGRAM

We are a grace-filled community of strugglers who courageously enter this safe and beautiful space to get honest about our pain, and the negative ways we may see ourselves, God, and others. We use a biblically based approach to help us achieve long lasting recovery by healing our hurts, guiding us toward new healthy truths, and developing life-giving habits.

Celebration Dinner September 16, 2025

Susan Corwin, the foundational leader of the Celebrate Recovery, Pinckney shared that “Celebrate Recovery is a way to bridge the gap between secular 12 step programs and a Christ based program. There was a need for a ministry that provided support for the people facing all types of hurts, habits and hang-ups, not just addiction”. With faith and conviction, the People’s Church family prayed for just such a program. 11 years ago, God answered that prayer when Susan and Tom Corwin joined the church and God used them to bring Celebrate Recovery to Pinckney. “The Holy Spirit had been nudging me for a long time to focus on Jesus in healing and CR was the ministry for me” – Susan shared.

A huge part of the success of Celebrate Recovery has been the many people who have put their heart, prayer and caring into the ministry. From taking on leadership roles, leading groups, teaching lessons or bringing food there was an abundance of support over the past 11 years.

The Nashville East Gathering was an experience providing time to reset and worship our God, learn from our leaders and spend time with other believers of Christ. The Holy Spirit filled the auditorium. Don't take my word for it, ask one of the amazing people who went!
