

## Matthew 16

My personal applications:

16:1-4 – The Pharisees and Sadducees come seeking \_\_\_\_\_ .

The problem with “signs”: they betray a \_\_\_\_\_ .

16:5-12 – Jesus warns about the teachings of the Pharisees & Sadducees: they interfere with \_\_\_\_\_ .

16:13-23 – Peter’s great confession of who Jesus is, followed immediately by a complete \_\_\_\_\_ .

Peter boldly declares that Jesus is \_\_\_\_\_ .

Jesus declares that He will build His church on that “ \_\_\_\_\_ .”

The building of the church on that “rock” will inevitably result in personal \_\_\_\_\_ .

Jesus rebukes Peter who was probably directed by \_\_\_\_\_ .

16:24-28 – The brutal reality and eternal hope for \_\_\_\_\_ .

There is no such thing as following Jesus without some degree of \_\_\_\_\_ .

Not all Christians have been called to suffer, but all of us have been called to \_\_\_\_\_ .
