

## Matthew 24

My personal applications:

24:1-2 – Jesus predicts the \_\_\_\_\_ (70 A.D.)

24:3 – Jesus' "Olivet Discourse," His teaching about \_\_\_\_\_.

24:4-14 – Jesus' warning about \_\_\_\_\_.

13: The need (requirement) for \_\_\_\_\_.

14: The "good news" will be preached \_\_\_\_\_.

My notes:

24:15-28 – The warning signs: the "abomination of \_\_\_\_\_."

False Christs will beguile people with \_\_\_\_\_.

Unfortunately, all these bad things are \_\_\_\_\_.

24:29-31 – But there's hope! The 2<sup>nd</sup> coming of the \_\_\_\_\_.

24:32-35 – The hope: the Word of God will not \_\_\_\_\_.

24:36-44 – The principle here: \_\_\_\_\_!

24:45-51 – There are consequences for not being \_\_\_\_\_.
