

## Matthew 5

My personal applications:

5:1-48 – Beginning of the “ \_\_\_\_\_ ”

Some scholars say these teachings are not for \_\_\_\_\_ .

Jesus probably gave these teachings \_\_\_\_\_ .

In Jesus’s day, the primary method of learning: \_\_\_\_\_ .

Matthew probably wrote them down \_\_\_\_\_ .

5:1-12 – Commonly known as the \_\_\_\_\_ .

An affirmation of \_\_\_\_\_ .

My notes:

5:13-20 – The true definition of \_\_\_\_\_ .

The true purpose of the Law is to teach us about \_\_\_\_\_ .

That is why the Law should not be \_\_\_\_\_ .

Jesus will fulfill the Law by His \_\_\_\_\_ .

This is a different definition of what it means to be \_\_\_\_\_ .

5:21-48 – Examples of what it means to truly be \_\_\_\_\_ .

Key phrase: “ \_\_\_\_\_ ” .

What fulfills and exceeds the Law is \_\_\_\_\_ .

This is why, regarding our enemies, we are to \_\_\_\_\_ .

Note: has nothing to do w/ war or \_\_\_\_\_ .

To be “perfect,” we are to love as \_\_\_\_\_ .
