GET *drenched* ...  
in God's Word,  
with His promises,  
by the Spirit's power!

### *Project 90* Begins September 9

### *Splash Children's Ministries* Begins September 9

#### EARLY CHILDHOOD (2-4 Years)

Early childhood kids will hear stories about God in ways appropriate to their age. Our 2 year olds will learn through "Play 'n' Worship," and the 3 year olds through "God Loves Me." 4 year olds begin to discover how all the stories they've heard about God point to Jesus through "The Gospel Project."

#### SONRISE (K-3rd Grade)

*God strengthens and protects his people.* Diving back into The Gospel Project, the unit will focus on God's faithfulness to his exiled people, his rebuilding and his preparation for the Messiah. Along with The Gospel Project, students can look forward to service projects as well.

#### CLUB 45 (4th & 5th Grade)

The 4th & 5th grades will jump back into The Action Bible where they go into the heart of God's word to discover an active faith that they can claim as their own. Each student receives a copy of The Action Bible to keep at home.

### *Generate Youth Ministries*

THE PLUNGE MIDDLE SCHOOL AND THE CURRENT HIGH SCHOOL Youth Groups will discover what it means, and how to, be a follower of Christ in today's culture. Students can also look forward to camping and day trips.
