

## Matthew 8

My personal applications:

8:1-4 – The key point in the healing of the leper:

Jesus touches him, an ultimate expression of \_\_\_\_\_.

8:5-13 – The loving request by a \_\_\_\_\_.

Most likely, the centurion was not \_\_\_\_\_.

The centurion's attitude: \_\_\_\_\_.

Jesus foreshadows that the good news about Him will reach  
the whole world, even to the \_\_\_\_\_.

The key word that binds the two together is \_\_\_\_\_.

(The words "faith" and "believe" are the same in Greek.)

This is the first indication that salvation comes through

\_\_\_\_\_.

My notes:

8:14-17 – Jesus healed *all* \_\_\_\_\_ (cf. 4:24)

Matthew foreshadows \_\_\_\_\_.

8:18-27 – Jesus gives a hint of what it means to \_\_\_\_\_.

A Jewish scribe approaches Jesus with \_\_\_\_\_.

Jesus states it's not going to be a cakewalk to \_\_\_\_\_.

Example: His disciples "followed Him" into a \_\_\_\_\_.

Jesus teaches that fear can be overcome \_\_\_\_\_.

8:28-34 – The awful response of "the whole city" when Jesus

healed \_\_\_\_\_.
