

## Matthew 9

My personal applications:

9:1-8 – The healing of a paralytic based on " \_\_\_\_\_ ."

Jesus points to the man's core problem: \_\_\_\_\_ .

The point: \_\_\_\_\_ .

Jesus declares Himself " \_\_\_\_\_ ."

Therefore, He has the power to \_\_\_\_\_ .

Jesus proves He has the power to \_\_\_\_\_ .

9:9-13 – The call of Matthew by His simple words: " \_\_\_\_\_ ."

Matthew's dinner demonstrates that Jesus has compassion  
on *all* people, including \_\_\_\_\_ !

My notes:

9:14-17 – Jesus declares that religious practices such as fasting  
are *not* the answer to being right with God. Being right with  
God lies in being in a close relationship \_\_\_\_\_ .

9:18-34 – Four healings with a point:

The synagogue official's daughter: \_\_\_\_\_ !

The woman with a hemorrhage: \_\_\_\_\_ !

The blind men were healed: a result of \_\_\_\_\_ !

The mute, demonized man was able to \_\_\_\_\_ !

...and the Pharisees felt \_\_\_\_\_ !!!

9:35-38 – Jesus was "going," "teaching," "proclaiming," and

All of Jesus' healings: motivated by love and \_\_\_\_\_ .

In commissioning His disciples, He is foreshadowing the
