

FROM OUR PASTOR...

Good Morning and welcome. Here's a neat article I read some time back. I hope you enjoy it.
In Christ, Bro. Ronnie Jr.

Helpful Hints for Parents:

1. Make your home the brightest and most attractive place on earth.
2. Let your child invite friends to your home and table so that he/she had rather be there than any other place.
3. Make your child responsible for the performance of daily duties. Never do for your child what he/she is capable of doing.
4. Never punish your child in anger.
5. Talk about God and the Bible. Let the Lord be a natural part of who you are.
6. Do not criticize your child as a person, but rather encourage his/her abilities and help his/her weaknesses.
7. Live uprightly before your child at all times. Do not hesitate to confess weaknesses and ask forgiveness when you fail.
8. Let your child hear you say, "I love you." Say it to your spouse and to your child.
9. Impress on your child that making character is more important than making money.
10. Be much in prayer that the Lord will help you. A contrite and humble heart before God accomplishes much.

REMINDER: Tonight in the evening service, we will be voting on a Children's Minister.
