This is Our God

- 1. Remember those walls that we called sin and shame
They were like prisons that we couldn't escape
But He came and He died and He rose
Those walls are rubble now
Remember those giants we called death and grave
They were like mountains that stood in our way
But He came and He died and He rose
Those giants are dead now**

**Chorus 1: This is our God this is who He is
He loves us
This is our God this is what He does
He saves us
He bore the cross beat the grave
Let heaven and earth proclaim
This is our God King Jesus**

- 2. Remember that fear that took our breath away
Faith so weak that we could barely pray
But He heard every word every whisper
Now those altars in the wilderness
Tell the story of His faithfulness
Never once did He fail and He never will**

**Misc 1: Who pulled me out of that pit
He did He did
Who paid for all of our sin
Nobody but Jesus**

**Misc 2: Who rescued me from that grave
Yahweh Yahweh
Who gets the glory and praise
Nobody but Jesus (Him)**

**Misc 3: He bore the cross beat the grave
Let heaven and earth proclaim
This is our God King Jesus**

Rattle!

**Verse 1: Saturday was silent
Surely it was through
But since when has impossible
Ever stopped You**

**Verse 2: Friday's disappointment
Is Sunday's empty tomb
Since when has impossible
Ever stopped You**

**Chorus 1: This is the sound of dry bones rattling
This is the praise make a dead man walk again
Open the grave I'm coming out
I'm gonna live gonna live again
This is the sound of dry bones rattling**

**Verse 3: Pentecostal fire
Stirring something new
You're not gonna run out of miracles
Anytime soon**

**Verse 4: Resurrection power
Runs in my veins too
I believe there's another miracle
Here in this room**

**(Bridge) My God is able to save and deliver and heal
And restore anything that He wants to
Just ask the man who was thrown
On the bones of Elisha
If there's anything that He can't do
Just ask the stone that was rolled
At the tomb in the garden
What happens when God says to move
I feel him moving it now
I feel him doing it now
I feel him doing it now
Do it now do it now**

**Chorus 2: This is the sound of dry bones rattling
This is the praise make a dead man walk again**

**Open the grave I'm coming out
I'm gonna live gonna live again
Open the grave I'm coming out
I'm gonna live gonna live again
Open the grave I'm coming out
I'm gonna live gonna live again
This is the sound of dry bones rattling**

Forever

- 1. The moon and stars they wept
The morning sun was dead
The Savior of the world was fallen
His body on the cross
His blood poured out for us
The weight of every curse upon Him**
- 2. One final breath He gave
As heaven looked away
The Son of God was laid in darkness
A battle in the grave
The war on death was waged
The power of hell forever broken**

**Pre-chorus: The ground began to shake
The stone was rolled away
His (perfect) (reckless) love could not be overcome
Now death where is your sting
Our resurrected King has rendered you defeated**

**Chorus: Now forever He is glorified
Forever He is lifted high
And forever He is risen
He is alive and He is alive**

**Bridge: We sing hallelujah we sing hallelujah
We sing hallelujah the Lamb has overcome
We sing hallelujah we sing hallelujah
We sing hallelujah**

**Ending: And now death where is your sting
Our resurrected King has overcome
He's overcome oh**

Great I Am

- 1. I wanna be close, close to Your side
So Heaven is real and death is a lie
I wanna hear voices of angels above
Singing as one**
- 2. I wanna be near, near to Your heart
Loving the world hating the dark
I wanna see dry bones living again
Singing as one**

**Chorus: Hallelujah, holy, holy;
God Almighty, great I Am
Who is worthy, none beside Thee,
God Almighty, great I Am**

**Bridge: The mountains shake before You.
The demons run and flee
At the mention of Your name, King of majesty
There is no pow'r in hell or any who can stand
Before the power and the Presence of the great I Am
The great I Am (5X)**
