#### **NONDISCRIMINATION STATEMENT**

In accordance with Federal Law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, religion or disability. To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, Room 326-W, Whitten building, 1400 Independence Avenue, SW, Washington, DC 20250-9410 or call 202-720-5964. USDA is an equal opportunity provider and employer.

#### **INCLUSION POLICY**

*What is inclusion?*

We welcome all children into our center to equally participate in daily activities.

The key elements of inclusion are as follows:

##### **Access:**

We welcome all children in our center. A plan must be in place prior to start date to allow for support when necessary. All furnishings will be at the child's level and allow for easy participation and equipment (if able to) will be modified if needed.

##### **Participation:**

We give all children a chance to participate. If a child has a sensory issue for example, we will explore options and create a strategy that includes every child. We plan and modify activities to include all children to allow for meaningful participation. Our staff is equipped to make appropriate accommodations. As our staff observes children in academic and interactive play time, we will correct and redirect behaviors that are not appropriate for the activity in which children are partaking in.

##### **Support:**

We will involve and inform parents of the child's day and value the opinion of the parents as we partner with families to prepare their children for school and desire for their children to grow spiritually. Parents are expected to be involved and willing to participate with us. We will work closely and involve support organizations as we see fit.

Disenrollment is a last resort for us after exhausting all other options. We cannot stress the importance of parent involvement. If an issue arises, we would document necessary observations, then meet with the parents to develop a plan, from there outside agencies would be brought in to help in any way possible.

### **TOILETING POLICY**

It is expected that children entering Mainstreet Preschool program are potty trained. Staff will be able to assist children with toileting as needed. Accidents happen; children should have a change of clothes in their backpacks daily.

### **PRESCHOOL CLASSES**

The preschool program is for children ages three to five years of age (who are not yet in kindergarten.) Children are encouraged to learn through play. Creative and consistent curriculum and themes provide an atmosphere of learning throughout the day.

In our daily schedule, children enjoy free play, and hands on activities. Teachers will be teaching from an approved curriculum that supports spiritual growth, and encourages Kindergarten readiness skills by learning about themes, months, letters, numbers, songs and bible stories, etc.

### **EDUCATION POSITION**

The center provides a developmentally appropriate curriculum which takes into account the development of each child. Classes use the whole language approach that incorporates phonic and other whole language activities.

The center encourages learning through play. Both structured and non-structured play is included in the center's programs and may include manipulatives, learning centers and free play.

While the center strives for educational excellence, Mainstreet Preschool does not guarantee results for every child. The center cannot be held responsible for failure to educate.

### **ASSESSMENTS OF THE CHILDREN**

Each preschool child will receive an informal "Developmental Screening" sent home mid November, mid-February and the end of May. These screenings will be administered by the preschool teacher.

### **FINANCIAL INFORMATION**

***There is a \$50 Non-Refundable registration fee for all new registering students***

*\*Full tuition is due regardless of if your child is in attendance the full week or not.*

### **MAKING PAYMENTS**

Tuition is paid by using the Procare app. It is your responsibility to set up your payment to be paid using the Procare app. This is the preferred method of payment. Families can decide to pay by cash or check, but will still receive invoices via the Procare App.

Tuition is due the **FIRST** Friday of each Month.

Any family who is more than 1 week behind on their tuition will not be allowed to attend until their balance is current unless you have spoken with the director and an agreement for payment has been made. (i.e., you need to pay on a different schedule than the above mentioned)

### **ENROLLING INTO THE CENTER**

All potential families MUST take a tour of the center prior to enrolling. During the tour, families will be given the required paper work to fill out and return before the first day of attendance.

Prior to a child's first day at the center the parents/caregivers are welcome to come in and spend some time with their child in the classroom to help them adjust to the center and meet the teacher and other children. At this time, you are also welcome to bring in any needed items for your child to help ease the busyness of the first day.

### **WITHDRAWL POLICY**

To permanently withdraw a child from the center, two (2) weeks written notice is required to guarantee cancellation of future payments.

### **ENROLLMENT**

Upon enrollment each child must have on file current emergency contact and transportation information, routine field trip permission form, any special health care information if needed, and custody paperwork if pertinent.

In the event of a medical emergency, 911 will be called and if necessary, child will be transported to the nearest medical facility. The emergency transportation authorization signed at the time of enrollment outlines this procedure. The center reserves the right to refuse services to any child whose parents declines to give permission to transport in the event of an emergency.

### **SUSPENSION/EXPULSION POLICY**

- **Temporary Removal:** Sending a child home for part or all of a day; requiring parents to pick them up early.
- **Classroom-Based Removal:** Moving the child to the director's office or another classroom for extended time.
- **Formal Expulsion:** Permanent dismissal from the program, often after repeated issues and failed interventions.

### **GUIDANCE AND MANAGEMENT POLICY**

#### **NON-VIOLENCE POLICY**

The center strives to create a fun-environment that meets the needs of all our children. However, "play" that includes violence towards another person is not allowed (guns, swords, fighting, etc). If after redirecting that child's activities, the child continues to speak or act violently towards other people, a parent/teacher/director conference will be requested. Your child may be sent home if he is unable to control his or her actions.

#### **DISCIPLINE POLICY**

The center strives for a consistent methods of discipline with the same expectations and consequences used with all children through the center. As a learning center, we feel it is necessary to safeguard the welfare of all our children. Constructive developmentally appropriate child guidance and management techniques are used at all times by all employees of the center. These techniques include redirection, time out, temporary loss of privileges and/or restriction from certain play materials or areas, separation from the situation and talking through the issues at hand.

We expect all children to exhibit good behavior. To maintain the art of self-control and good discipline, we feel it is necessary to outline certain types of behavior which we consider to be unacceptable:

Disrespect, use of angry or hostile tones or gestures with staff persons, willful disobedience, injuring or endangering another child or staff and use of profanity and other inappropriate vocabulary.

We reserve the right to remove any student we feel is endangering the health, safety or welfare of the other students enrolled in the center or who display inappropriate behavior that prohibits the development of the other students. If the behavior is detected, the child will receive a verbal warning and the parents will be informed, if the behavior continues the child will receive a written warning that

the parent must sign. If the behavior continues after the verbal and written warnings, a conference will be scheduled with the parents, teacher and director. If the behavior continues after the three steps have been taken, immediate dismissal may result. Parents will forfeit any tuition and fees that have been paid. We reserve the right to cancel all services to a family who refuses to cooperate with the policies of the center.

The standard procedure for parents who need assistance with a problem or complaint that is related to the childcare program is to contact the teacher. If you feel the matter was not resolved to your satisfaction, you may contact the director.

### **SUPERVISION OF CHILDREN**

#### ***Children should NEVER be left alone***

An adult MUST escort your child to the entry point to the Preschool. **DO NOT DROP OFF YOUR CHILD AND ALLOW THEM TO WALK INTO THE BUILDING AND CLASSROOM ALONE.** Children should always be with an adult. Upon arrival and departure, the teacher will take attendance via the Procare App.

### **EMERGENCY/DISASTER**

In the event of an emergency/disaster and the center needs to be evacuated, the children will be walked to the parking lot entry at Moline-Martin Road. Each classroom will take the binder with children's enrollment and health paperwork in them, along with the travel first-aid back pack and any medications the children may need. If possible, the teacher will try to take the children's backpacks. Parents will be notified via our Procare App and a group text as to what is happening and if they need to come pick their children up and any special directions will be relayed at that time.

### **PANDEMIC**

In the event of a Pandemic the center will follow all policies and procedures handed down by the local government officials and CDC guidelines.

### **SECURITY PROCEDURES AND POLICIES**

The safety and security of your child is something that we take very seriously. Mainstreet Church is always locked. The Children's Ministry wing will have another level of security to that wing of the building, only allowing entry to those with a key fob. If you need building access for a meeting with a staff member or need to get to your child, contact the Director of the center.

Katrina Okonski: Office 419-838-7600

Every day the center implements security procedures to provide a safe environment in which your children can learn and grow. The following outlines the daily security procedures that we use:

\*The center staff has immediate access to a working phone at all times

\*All parents are required to escort children to and from the building entry point.

\*Only authorized persons with proper identification are allowed to pick up children

\*Personal information regarding your child is kept confidential – unless we have a signed statement by the parent or guardian allowing release of such information. No information about your child will be given over the telephone.

## **SAFETY POLICIES**

- Children are never left unattended or unsupervised.
- Fire drills are held each month
- Emergency plans are posted in each classroom.
- The use of spray aerosol is prohibited when children are present – this includes sunscreen.
- Staff are trained and required by law to notify the local public children's service agency if they suspect a child has been abused or neglected.
- First aid kits are available in the classrooms.

## **RECEPTION AND RELEASE**

A responsible person age 18 years or older must bring all children to the drop off location. Please do not leave until the teacher receives the child. A child may not leave the school premises until he/she has been released to a responsible person no younger than 18 years of age. Your child will only be released to those whom you authorized on your enrollment form. If you want someone other than the persons listed on your enrollment form to pick your child up, please write a note to your child's teacher that morning. A picture ID is required to be shown to the appropriate staff member. In an emergency, other arrangements can be made through the office. No child shall be left alone or unattended. Teachers will be in sight and hearing distance of each child. The staff has immediate access to a working telephone at all times.

## **CUSTODY ISSUES**

Children will only be released to those individuals listed on the contact sheet. If a parent is not allowed contact with a child, court papers must be on file at the center stating the custody arrangements. We are required to adhere to the court order in these matters.

## **FOOD INFORMATION**

The center will provide a mid-morning or mid-afternoon pre-packaged snack and water for children. Dietary Restrictions are to be made on registration forms.

## **PROCEDURES FOR EMERGENCIES AND ACCIDENTS**

### **EMERGENCIES AND ACCIDENTS**

Parents must provide the center with current emergency information. In the event of an emergency, parents are notified immediately. If parents or those authorized to act on their child's behalf cannot be reached, the signed emergency medical form is used to secure the necessary medical treatment at the hospital. Please inform the office if your work or home/cell numbers change.

In the event of an emergency or accident, the center will take the following action. Another teacher or adult in the building will be secured to supervise all other children; first aid will be administered. The local emergency squad will be called. The parents or guardian will also be called. The child will be transported to emergency medical or dental care by local emergency medical services as requested by the parent and the Emergency Transportation Authorization.

## **ACCIDENT REPORTS**

All center staff are required to fill out an accident report if anything happens to your child. The accident report records and specifies the accident date, child's birthday, what happened and who witnessed the event. The report also records what actions were taken (band aid, ice, etc....) and what comfort was given. Copies of the report are made. Parents must sign and date the report and will be given a copy.

### **EMERGENCY EVACUATIONS**

A fire drill is held once a month. An evacuation plan is posted in each classroom, illustrating the steps to be taken in case of a fire or emergency weather alert. Staff members are taught the severe weather plans and these are posted in the rooms. If the center would need to be evacuated for emergency purpose, the children will be relocated to the parking lot entrance at Moline-Martin Road.

### **MANAGEMENT OF ILLNESS**

#### **HEALTH POLICIES**

All center staff receives periodic training consisting of recognition of communicable disease and signs and symptoms of illness. Staff and children practice procedures that prevent the spread of contagious diseases and illnesses. Our goal is to maintain a healthy environment for all children and staff. The center provides care for healthy children only. If a child becomes ill while at the center, he or she is removed from the other children and a parent or authorized contact is notified. ***SICK CHILDREN MUST BE PICKED UP IN LESS THAN 30 MINUTES FROM THE TIME THE PARENTS ARE CONTACTED.*** If a child is sent home with a fever, ***THEY MUST BE FEVER FREE FOR 24 HOURS BEFORE RETURNING TO SCHOOL PER STATE LICENSING.*** If your child's teacher becomes ill while at the center, they will be sent home and a substitute teacher will be called in.

outbreak (2 or more cases) has been confirmed, a notice will be posted immediately on the center's entrance. Continuous outbreaks may result in the center closing for disinfecting and ventilation.

### **INHALER OR SPECIAL MEDICATION**

It is the center's policy that it allows the possession and use of an inhaler or medication by a child when needed in an emergency for a child with special health conditions. The inhaler may be in possession of the school age child. All staff will be informed of the child's special need. The parent will still need to fill out a medication form.

### **PARENT PARTICIPATION**

Parents are welcome to visit the center and observe in the classrooms at any time but are required to schedule this time with the Director. Parents and family members are encouraged to attend the Graduation program as well as any other family fun nights throughout the year.

### **CLOTHING**

Please dress your child in comfortable play clothes that will allow them to participate in all types of activities, both indoor and outdoor.

We ask that you bring in an extra set of clothing for your child to keep at the center in case of spills or accidents.

### **ROUTINE FILED TRIP**

We may schedule special events or days that will require parent/guardians to drive their children to and from a location.

A photo release form is part of registration. Parents should indicate on this form their desire for their child's photo to be used or not be used.

## **WEATHER RELATED CLOSINGS**

The preschool will typically follow the lead of Lake School District for school CLOSURES. However, you should always check the Procare App for clarity on whether the center will close.

## **APPEAL PROCESS**

Mainstreet Church has embarked in this ministry to serve our community by providing a quality Preschool Program. Because of the complex nature of doing business, we have developed this policy handbook, the handbook was developed to clearly present policies to protect Mainstreet Church, the Preschool and all parties involved (students, parents, teachers, etc.) from misunderstandings. As the handbook is a general guideline for the center's

policies, we recognize that there will be times where the policies and rules may not be clear, appropriate and/or relevant to a specific need or circumstance. Recognizing this, we have added an appeal process as a forum to address these circumstances as they arise. Each appeal is to be made on a case-by-case basis and any determination concerning the appeal only applies to that specific individual and circumstance. A ruling of appeal by the center does not set aside the policies of this handbook in regards to any other student or circumstance.
