

Nursery for infants through 3 years old with the following guidelines:

1. Use Room 111, 112, and the outdoor playground.
  2. Adults and Children >2 years wear masks at all times.
  3. No snacks or drinks will be provided. Drink should be provided by parents and will be given as needed. Bottles are the exception.
  4. Hands will be washed upon entry to room.
  5. Parents will sign children in with a cell number and asked to remain in hallway and not come into the room.
  6. No teen or adult helpers at this time.
  7. Staff will provide extra cleaning of the toys and items on the floor. The staff will minimize the toys on the shelves and on floor.
  8. The number of children will be limited to 6 for each service. With 1-4 children there will be 2 staff members, with 4-6 children there will be 3 staff members and possibly 4 depending on the ages of children.
  9. Parents will add to their worship sign up the names/ages of children requesting nursery care.
  10. Parents will adhere to the health guidelines and will not bring their child if anyone in the family has fever, cold symptoms, loss of taste or smell, or other signs or symptoms of illness, or if they have been exposed to someone with COVID-19.
  11. Parents will be asked to notify the staff if someone in the family tests COVID positive within the next week after attendance.
