Sex, Drugs & Redemption  
Sunday, August 12

Both Sunday services and special events at 5pm & 6pm

When it comes to sexuality, Christians tend to fall into three categories: confused, conflicted, or convinced. Because we want our people at VBC to be confident and compassionate, and full of grace and truth on the issue of sexuality, we are bringing Christopher Yuan and his family to be with us for a day. Through the narrative of his personal transformation from an agnostic gay man to a Bible professor and his expertise in the Scriptures, we will be well served. Of course, his inspirational story of redemption and grace transcends the topic of sexual identity touching on issues such as drug addiction, promiscuity, incarceration, and HIV. Please plan to come and invite friends who will benefit from a day with the Yuan family at VBC on August 12.

This Sunday in worship, we met in one service with our children and Hispanic friends. We heard a moving testimony and two baptisms were celebrated.
