

The logo for KidZone features the word "KidZone" in a stylized, white, sans-serif font. The letters are set against a background of four overlapping circles: a blue circle on the left, a yellow circle at the top, an orange circle on the right, and a green circle at the bottom. The circles are arranged in a cluster, with the text "KidZone" positioned across them.

# Preschool and Children's Reentry Guidelines

**These ministries will be offered during the 9:00 service.**

If your child or anyone in your family is exhibiting any symptoms of Covid-19, please choose our online option for viewing the sermon from home.

Children's temperatures will be taken with a touchless thermometer at the check-in station. Hand sanitizer should be used there as well. A temperature reading of 100.4 or higher will result in us asking that your child not enter the classroom, and we would also ask that you take your child home.

We ask that all children wear masks beginning in the P5/K room and older. When the weather is conducive, our teachers and caregivers may take the children outside for a socially-distanced mask break.

All teachers and caregivers will wear masks as long as the statewide mask mandate is in place. Should the mandate be lifted, the SBC staff will reevaluate what the policy will be for those who serve in these classrooms.

In the classrooms, students will have assigned seats including seats reserved for guests. As much as possible, each child will have his/her own writing and craft supplies.

For preschool, snacks will be individually packaged. Disposable water cups will be available, or a child may bring his/her own water bottle.

An effort will be made to keep children from sitting too close together for long periods of time. However, complete social distancing at all times will not be possible.

Rooms will be disinfected on a weekly basis. High touch surfaces will be wiped off during the class as frequently as the teacher/caregiver deems necessary.
