

WEDNESDAY CLASSES

January/February 2018

6:30 PM - In the Gym

Revelation Class

Historically, the book of Revelation has been either abused or ignored. Some have obsessed over it, making it the center of the canon, reading today's news through the Revelation "filter." Others have completely ignored it due to the book's many interpretive challenges and controversies. This is unfortunate because John's record of the revelation of Jesus calls the church to an important task: to continue to bear faithful witness, even from the margins of society. Join us as we spend the next few weeks studying this powerful word from Revelation.

Marriage Class

Happy is good. Holy is better. Your marriage is more than a sacred covenant with another person. It is a spiritual discipline designed to help you know God better, trust him more fully, and love him more deeply. What if God's primary intent for your marriage isn't to make you happy . . . but holy?
