

Come, let us sing for joy to the LORD, let us shout aloud to the Rock of our salvation. Let us come before Him with thanksgiving and extol Him with music and song. (Psalm 95:1-2)

It is such a joy to see and hear the church participate in worship. In their book "Sing!" Keith and Kristyn Getty write that "Congregational singing is one of the greatest and most beautiful tools we have been given to declare God's "excellencies", strengthening His Church and sharing His glory with the world." This is why we do what we do. Let's come together this Sunday and Sing!

The Church Leadership Team has decided that we will change our Sunday Evening Worship service time to 5:30pm starting March 10, time change Sunday.

PraiSing Him,
Mark
