Grateful and Growing **Building Fund Appeal Update**

St. Paul's Lutheran Church & School has been blessed by the faithfulness and generosity of our members, past and present. Throughout the years, we have remained focused on our mission to make disciples – ***reaching out*** to those who do not know Jesus and ***nurturing*** the faith of those who already confess Jesus as Lord. For St. Paul's to do our best at making disciples now and in the future requires bold action to update and expand our facilities. The prayerful vision is to expand our campus to fully support all aspects of our congregational and school ministry. Our building project will provide better functionality, increased flexibility, and more capacity that will allow for our growing ministry.

We are excited by the number of members who have responded to our ***Grateful and Growing*** Building Fund Appeal. To everyone who has responded, **THANK YOU!**

We are now looking to have all of the response forms returned. If you have not yet done so, please return your appeal response form to the church office. If you prefer, you may provide your appeal response online by visiting our church website. If you did not receive, or need another appeal packet, please contact the church office at (608) 783-2552.

**“The body of Christ, joined together, grows and builds itself up in love,
as each part does its work.”** Ephesians 3:16

Week of November 21

We have asked St. Paul's members to share their words of support for our ***Grateful and Growing*** Building.

The statement below comes from **Daniel Leach**.

Why is the St. Paul's an important part of your life? How has the congregation helped you and your family grow in faith?

St Paul's has helped grow our family's faith through the work of the Holy Spirit with Jesus and bible-focused teaching, in church, bible studies and school.

Share your enthusiasm for the proposed building expansion project. Why is the building expansion project important for the church's mission and ministry? What about this project excites you the most?

The building expansion project enables the growth of the congregation and school by providing additional worship and learning space.

Share any additional thoughts as to why you will be generous in your financial support of our *Grateful and Growing* Building Fund Appeal.

I believe growth in our church will help spread God's love for us all.
