

## November 28 and the weeks of December

### ***Grateful and Growing*** **Building Fund Appeal Update**

St. Paul's Lutheran Church & School has been blessed by the faithfulness and generosity of our members, past and present. Throughout the years, we have remained focused on our mission to make disciples – ***reaching out*** to those who do not know Jesus and ***nurturing*** the faith of those who already confess Jesus as Lord. For St. Paul's to do our best at making disciples now and in the future requires bold action to update and expand our facilities. The prayerful vision is to expand our campus to fully support all aspects of our congregational and school ministry. Our building project will provide better functionality, increased flexibility, and more capacity that will allow for our growing ministry.

**We are excited** by the number of members who have responded to our ***Grateful and Growing*** Building Fund Appeal. To everyone who has responded, **THANK YOU!**

We encourage everyone to prayerfully support our vision for the future. If you have not yet done so, please return your appeal response form to the church office. If you prefer, you may provide your appeal response online by visiting our church website. If you did not receive, or need another appeal packet, please contact the church office at (608) 783-2552.

**“And whatever you do, in word or deed, do everything in the name of the Lord Jesus,  
giving thanks to God the Father through him.”** Colossians 3:17

## Week of November 28

We have asked St. Paul's members to share their words of support for our ***Grateful and Growing*** Building.

The statement below comes from **Amanda Dash**.

**Share your enthusiasm for the proposed building expansion project. Why is the building expansion project important for the church's mission and ministry? What about this project excites you the most?**

We are blessed as parents to partner with St. Paul's School to provide our children a Christian education so they have a rooted foundation in God's word for both their earthly and eternal life. The Building Expansion Project will allow us to continue to grow both our ministry and disciples. This project will not only impact our children, but future generations to come.
