## Risen Experience

Saturday, April 16, 2022

Volunteers from the greater Orlando community will be joining together for an event to recreate that defining moment in Earth's history when Jesus died and rose again in the Risen Experience!

This interactive event is intended to be shared. Your neighbors and friends will stroll past shops in the Jerusalem Marketplace, exchange greetings with Shop Keepers, see live animals, smell, touch and catch a glimpse of day-to-day life in biblical times. Witness Jesus and the disciples make His triumphal entry, watch Jesus wash the disciples' feet, hear the crowd clamor for the crucifixion of Christ, and join His followers to rejoice in His resurrection.

Volunteers Needed! From helping in the Jerusalem Marketplace to supporting behind the scenes, we have something for everyone.
