

Food Collection - Warehouse of Hope

We've recently learned of a need through one of our community partners, Warehouse of Hope. They are running low on food, and the need is running high as ever. Because of our commitment to Jesus, we want to help serve these suffering families. So, we'll be collecting food for Warehouse of Hope through the month of November. Here are some Items they need now:

Canned noodles (pop top only: Ravioli, Spaghetti O's, spaghetti, etc...)

Peanut butter and jelly

Fruit cups

Breakfast bars (pops tarts, NutriGrain, granola)

Instant oatmeal and grits

Individual bags of chips
