

MILITARY AND THEIR FAMILIES

Father, we come before You in the mighty Name of Your Son, Jesus, our Lord. We plead the blood of Jesus over our troops and ask You to keep them safe and rescue them from danger.

Provide for and protect the families of our armed forces. During times of separation, strengthen them and give them the wisdom to cope with daily challenges in the absence of their loved ones. Thank You for wise counselors who are helping the children of those men and women who are deployed to other nations. May You be their source of comfort and peace that passes understanding.

Father, we are grateful for those who have given their lives for our country. God of all comfort, we ask You to comfort loved ones—wives, children, mothers, fathers, family members, and friends. We call upon Jehovah-Jireh to see to their needs and provide for them according to Your glorious riches.

Father, we are looking forward to that day when there shall be no more war, and the whole earth shall be filled with the knowledge of the glory of the Lord.
