Happy Birthday America!

We thank God that we live in a country of freedom, with the ability to worship God in an open environment, and we have been able to do so for 250 years! We pray that doors continue to open so that we can spread the Good News that Jesus is alive and wants a relationship with us. Happy Birthday America!

Guest Minister – Rev. Vidar Ligard

We are honored to welcome Rev. Vidar Ligard as our special guest minister on Sun., Jul. 12th, during our 10:00 AM and 6:30 PM services. Rev. Vidar and Catherine are the founders of Safari Mission USA, a ministry dedicated to training and transforming lives through God's Word in East Africa. Their mission is to equip individuals with practical biblical tools that impact everyday life and empower them to bring positive transformation to their communities. We invite you to join us for these special services and be encouraged by the ministry of Rev. Vidar Ligard.

Have You Thought of a Career in the Film Industry?

If so, we need your help! Our TV Team could use a few more eyes on the cameras to film and Livestream our services. If you would like to be trained to serve in this area, please stop by our Volunteer and Connect Center to fill out a quick application. We're ready for our close-ups!

Community Corner

Care Kits

You all did a fantastic job supplying the items needed for our Care Kits. We will let you know next month just how many kits we were able to put together. Thanks, and God bless you all!

The Crayon Initiative

You also did a great job collecting those old, broken crayons! We collected pounds of crayons that we donated to the Crayon Initiative. This program sorts, melts, repackages, and sends them, free of charge, to hospitals and clinics across the United States. The children getting medical treatments can spend time coloring to help keep them busy. Thank you for donating these.

Looking for Glasses

Clean out your drawers and drop off those old glasses in the We Care bin in the Lobby. These are cleaned, serviced, and given away free after a free eye exam to those living in Third World Countries. What a blessing to so many.
