

### Sit Down

Take some time (with your spouse and children if you have them) to check your heart and talk about these three areas...

### Write Down

1. What you desire to **give** into the Kingdom of God this year.
2. What you owe – every debt, large or small. Write down principle, interest rate, payment, etc.
3. What you would like to have or do personally if price/cost was not a factor.

### Hold Up

Bring this vision list with you to service on Sunday, March 22<sup>nd</sup> as we pray together as a church and with our families.
