

Director of Worship and Creative Media Chapel Hill Church

*Chapel Hill Church is a Converge North Central church in Eagan, Minnesota.
Our mission is to guide people into a flourishing, contagious relationship with Jesus Christ.
Our vision is to move this generation from culture to Kingdom.
Our values are Growing in Christ, Living in Love, Impacting the World*

Overview:

The Director of Worship & Creative Media at Chapel Hill Church will lead a team that is responsible for planning the Sunday morning worship gatherings, the online gatherings, and other worship events. This position requires a heart for Jesus and a heart for growing his Church through leading people in worship. This role will require a constant pursuit of excellence both on and off stage, steady growth as a follower of Christ, shepherd of people, and musician/worship leader. In addition, he or she will manage the creative elements of the Chapel Hill Church Worship Ministry, including live stream, video production and technical needs.

Responsibilities:

Worship Planning and Presentation (50%)

- Cast vision and oversee the planning and weekly presentation of Chapel Hill Church Worship.
- Ensure that weekend worship services are effective and that the content, style, and structure reflect the vision and values of Chapel Hill Church.
- Promote a team approach to ministry that involves multiple worship leaders and musicians and seeks regular creative input from those involved.
- Collaborate weekly with the Lead Pastor to plan for the future and evaluate prior weekend gatherings.
- Develop systems to create detailed worship plans at least two weeks prior to the event date including musical, technical, video, and other programming needs.
- Assist with planning special worship gatherings such as Christmas Eve, Easter, Children's Christmas musicals and other special programs as assigned.
- Oversee set design, video production, graphic design, and consistent branding throughout worship and media.

Video and Technology (25%)

- Develop the people, philosophy, and systems related to the audio, video, graphic and technical elements of Chapel Hill Church.
- Oversee the audio, lighting, and video technology for Chapel Hill Church including scheduling, maintenance, and purchasing.
- Oversee the production and use of effective video and graphics for use in gatherings and online. This includes drafting concepts, scripting, video shoots, and editing.
- Strategize creative video tactics to communicate Chapel Hill Church's vision, mission and values.

Training and Team Development (15%)

- Recruit and equip volunteers (musicians, vocalists, audio/visual) to ensure excellence in ministry and a healthy team environment.
- Coordinate weekly rehearsals and periodic training events.
- Encourage, train, and provide opportunities for the spiritual growth of the Chapel Hill Church Worship Ministry volunteers.
- Participate in seminars, conferences, webinars, etc. for personal professional development and the growth of the Worship Ministry at Chapel Hill Church.

Ministry Integration (10%)

- Participate in weekly staff meetings to enhance communication and coordinate with other Chapel Hill ministries.
- Be accessible and visible as the main point of contact for Worship and Technology.
- Oversee the ministry budget and approve expenditures.

Qualifications:

- Have a genuine faith in Christ and love for the Church.
- Be willing to become a Chapel Hill Church member.
- Embrace and champion the Chapel Hill Church vision and values.
- Demonstrate musical and technological skill.
- Possess the leadership skills necessary for overseeing the ministry.
- Possess the people skills necessary for equipping and encouraging volunteers.
- Possess the administrative skills necessary for delegating tasks and organizing ministry resources.
- Have prior ministry experience.
