

Community Groups @ Trinity

What are Community Groups?

C-Groups are small groups of men and women who meet two to four times a month in order to fellowship, learn and serve together. Most, but not all, C-Groups meet in homes.

- Fellowship oriented. Much like a family, C-Groups eat, laugh and pray together.
- Discussion Based. C-Groups often discuss the past week's sermon or work through a video-based discussion.
- Open. C-groups are the perfect place for neighbors and newly churching people to come and see what life with God is like.

You can find all the details our **Introduction to Community Groups** available at trinityepc.org.

Can you tell me more about these group discussions?

Sure! We've just launched something really cool called *Right Now Media (RNM)* that many of our groups will be using. RNM allows groups to stream great teaching about the Bible and other topics directly into your living room. RNM also provides discussion questions that groups will go through together. Be sure to pick up a resource guide today to learn more.

How do I join a group?

We will help you find just the right group. The first step is to let us know you are ready to find group. From there we will ask you some basic questions about what you need and when you are available. Our last step is to get you in touch with the leaders of one or two groups that seem like a good fit for you.

How could I help start a group?

We are always starting new groups at Trinity and would love to help you begin a new group. The first step is to talk with our Pastor of Discipleship and Community. He will help you:

- Decide whether the time is right to begin a group.
- Understand the foundations of healthy group life.
- Begin finding others who might be ready to help start strong.

Trinity Community Groups

Contact Melisa Burnham (mburnham@trinityepc.org) to find out which groups are ready for new members.

Martin

Meets: TBD
