

Jesus Christ: The Lord Our Passover

Exodus 11:4-8; 12:1-3; 12:29-32

Prayer:

A. Not Without Knowledge

*Discuss how God does not want us ignorant of His plans.
Reveal how God gives us all that we need to understand in His
word so that we can pattern our lives to fulfill His will and plan
for us.*

Your Note

B. Disobedience's Demand

Share how disobedience comes with a great debt that man is not able to pay. Explain how this cost will be paid either by ourselves or through the grace of another, but it must be paid.

Your Note

C. Freed from Bondage

Discuss how we are made free through the payment of the debt owed by disobedience. Share how God has removed our bondage from sin through the obedient sacrifice of another.
