

Babies and Toddlers

Nursery

We are fortunate, at First Lutheran, to offer a fully-staffed Nursery, for children age 6 months—4 years-old. The Nursery can be found on the lower-level near the Luther Fellowship Center. The Nursery is available during all Sunday morning services.

Before your visit to the nursery, we ask that you review our technology and health policies, as well as our emergency procedures, which can be found on the next three pages.

Babies and Toddlers

Nursery Technology Policy

It is our honor and privilege to care for your children while you are on First Lutheran's campus. We have numerous policies and procedures in place to ensure, to the best of our ability, the safety of all children in our care. You can help us provide a safe and caring environment for all children by:

Keeping technological devices in *your* care while your children are with us. Please allow children to come into our care without the burden of expensive technological devices. This includes, but is not limited to: cell phones, iPads, tablets, handheld gaming devices, etc. We understand that all parents have different views on the impact of technology in their families. Therefore, we want to allow parents the right to set their own boundaries and rules about what is appropriate for their own children. Our nursery staff members are trained to engage children in our care in imaginative play, arts/crafts, music, etc. There really won't be time for gaming in here!

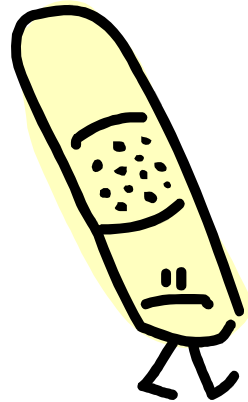

Thank you for your understanding!

Health Policies & Procedures

It is our honor and privilege to care for your children while you are on First Lutheran's campus. We have numerous policies and procedures in place to ensure, to the best of our ability, the safety of your child. You can help us provide a safe and caring environment for all children by:

- Keeping home children who are sick. Any child who appears to be severely ill, has fever and behavior change or one or more of the following symptoms:
 - Temperature of 100° F or higher
 - Diarrhea
 - Blood in stool
 - Vomiting
 - Abdominal pain (persistent)
 - Conjunctivitis (Pink Eye)
 - Pediculosis (Head lice)
 - Persistent runny nose, watery eyes, and coughing
 - Or any of the following: Hepatitis A, Impetigo, Measles, Mouth sores, Mumps, Pertussis (Whooping Cough), Pinworms, Rash, Scabies, Strep Throat, Chicken Pox or Tuberculosis.
- Following proper check-in and check-out procedures, including supplying names of adults who are approved to check your child in and out.
- Picking your child up from their classroom at the proper time.
- Speaking with your child about appropriate classroom behaviors and language.
- Communicating questions and issues to us in a timely manner.

Emergency Procedures

In Case of FIRE

- Proceed out the building to the Cardiologist PC parking lot at the corner of 3rd Ave and 10th Street.
- **DO NOT** attempt to pick up your child/ren in ANY part of the building—they will be evacuated by our trained staff.
- **WAIT** at the parking lot until an 'ALL CLEAR' has been given by an FLC pastor or staff member, then proceed to the east side of the PCI building (Parking Lot B) to pick up your child/ren. Children must stay with their teachers until a parent or guardian comes to pick them up.

In Case of SEVERE WEATHER

- Proceed to the FIRST FLOOR hallway and Luther Fellowship Center.
- **DO NOT** attempt to pick up your child/ren in ANY part of the building—they will be evacuated by our trained staff.
- **WAIT** in the hallway or the LFC for an 'ALL CLEAR' to be given by an FLC pastor or staff member, then (if all activities have been concluded) pick up your child/ren from their class group; OR (if all activities have resumed) wait until the regularly scheduled dismissal time and pick up your child/ren from their classroom following proper sign-in/out procedures.
