01 A CALL TO PRAY

Prayer was central to Jesus' life and ministry. The disciples saw how He prayed and asked Him to teach them. Over the next 21 days, we'll follow His example by intentionally seeking God together.

KEEP IT SIMPLE

Prayer is simply talking with God. Call Him “Father,” “Lord,” or “Friend”—whatever feels natural to you.

USE THE RHYTHM BELOW TO GUIDE YOU:

- Morning: Pray a Psalm. Use Psalms of gratitude, lament, or renewal to guide your morning prayers.
- Noon: Pause and recite the Lord's Prayer from Matthew 6:9-13. Let each phrase bring clarity and focus to your day.
- Evening: End with a Prayer of Reflection:
 - Reflect on the events of your day.
 - Rejoice in moments of joy.
 - Repent of areas where you fell short.
 - Renew your trust in God for tomorrow.

Let's unite as a church and pray together!

KEEP IT REAL

Share your thoughts and emotions with God—your joys, frustrations, and hopes. He knows and cares about everything you're going through. (1 Peter 5:7)

CLOSING THOUGHTS

As we commit to 21 Days of Prayer, remember that God delights in spending time with you. These three weeks are an opportunity to draw near to Him, align your heart with His, and believe for breakthrough in your life and our church.

FASTING

1. Fasting is a spiritual discipline where you voluntarily abstain from food, activities, or other comforts to focus on God and deepen your relationship with Him.
2. It is an act of worship that humbles your heart, strengthens your faith, and aligns your priorities with God's will.
3. Fasting creates space for prayer, reflection, and reliance on the Holy Spirit by setting aside distractions.
4. While fasting, the time and energy typically spent on what you're giving up are redirected toward seeking God in prayer and His Word.

FAQ

What if I miss a day? Start again the next day! God is gracious and values your effort to connect with Him.

Can I fast during this time?

If you'd like, you can choose to fast from meals, technology, or other comforts to focus more on prayer. Make sure to consult your doctor if fasting food isn't medically safe for you.

How do I stay focused during prayer?

It's normal for your mind to wander during prayer. To stay focused, try praying out loud, writing your prayers in a journal, or using a simple structure like the Lord's Prayer or the ACTS model (Adoration, Confession, Thanksgiving, Supplication).

What should I do if I don't feel like praying?

Bring your honest feelings to God, even if they include frustration or apathy. Ask the Holy Spirit to help you pray and remember that prayer isn't about perfection but connection. Even a simple, heartfelt, "God, I need You" is a powerful prayer.
