1. What did the king want everyone to do?

3. How did the friends set a good example? Is being a good example one way we can be wise?
(They stood strong and chose to obey God even when everyone else bowed – yes, it is wise)
4. Because they stood firm, what happened in the end?
(God protected them in the fiery furnace, and the king saw God’s power)

🙏 Family Prayer:

God, thank You for helping us stand strong like Daniel’s friends. Give us courage to do what is right even when it’s hard or when others choose differently. Help us be a good example that points people to You. We love You. Amen.
