## **DISCUSSION QUESTIONS**

1. These Scriptures tell of a return to God’s original design—a “garden city” where sin, death, and brokenness are gone. How does this vision of the future change the way you face present struggles and disappointments?
2. In Matthew 25, the emphasis is on being personally prepared for Christ’s return. What are some practical ways you can cultivate your own relationship with Jesus instead of relying on the faith or spiritual experiences of others?
3. How can worship become a source of strength during seasons of pain, uncertainty, or waiting?
