DISCUSSION QUESTIONS

1. Where might you be making the calling of God about you—your abilities, age, insecurities, preferences, or excuses—instead of trusting the One who called you?
2. Is there something God is asking you to tear down or build up in your life right now? What would obedience look like?
3. What would change in your life if you stopped listening primarily to the opinions of people and became more intentional about hearing and obeying the voice of God?
