DISCUSSION QUESTIONS

1. Are there areas of your life where you are asking God to speak, but you haven't been obedient to what He's already told you?

2. Where might you be trying to shape God around your own preferences, desires, or opinions instead of allowing Him to shape you?

3. If God held your life up to the light today, what cracks might He reveal that you've been trying to cover with wax? What would repentance and allowing the Potter to reshape you look like?
