Thank you, Church Family!

You have been faithful and generous with your financial support this year. Your offerings allow us to minister as we are called.

As we approach the final stretch of 2025, let us continue to honor God with our time, talents, and treasures, right to the very end. Let's continue to invest in the work God is doing through our church and community. Let's add our offerings to the offerings of United Methodists around the world to spread the gospel until the whole world knows.
