## SUNDAY SCHOOL OPPORTUNITIES at Central United Methodist Church

At Central, for both children and adults, we believe there is a deep value in exploring the meaning and wisdom of God's word together and applying its teachings in our lives. To gain a better understanding of the Christian principles we hold dear, we offer a varied set of learning opportunities for adults that range from customized classes, open discussion type forums, Bible study, to Community environments.

**Adult Sunday School Classes**, (located on both the 2nd & 3rd Floor), offer a wide variety of curriculum and class make-up. We encourage you to use this as a guide for finding the perfect opportunity for community within our church family. If you have any questions, or we can be of help, please contact our church office. Any of our staff will be happy to assist you.

**Children ages 3 year - Kindergarten**, (located in our church nursery area), study the Deep Blue curriculum, which instills the love of God as they have the opportunity to be exposed to some of the basic truths found in the Bible.

**Elementary Children** experience multi-intelligence learning style lessons from God's word, based on the rotation model. (Access to this area is on the 3rd Floor, down the ramp)

**Youth and College students** continue their spiritual journey of Bible truths through life application in both large and small group style learning, and in worship settings. Worship is led by Student Praise Band. (Access to Youth is down the ramp on 4th Floor)

If you have questions, please feel free to ask any of our church staff, or one of our volunteers at our Welcome Center!
