

Age and Grade policy for Children and Student Ministry @ Cornerstone

Cornerstone is blessed to offer many programs for our students. We want to provide the best learning environments for all of our students. That includes age appropriate content and activity based on age and school grade.

We understand that this model doesn't fit all circumstances. If you feel that your child's needs would be better met in a different age group please contact the Children's and/or Youth Minister.

Promotion Sunday is held in June. That means that all grade school students through High School are promoted one grade level at that time. Which ever grade is chosen during the month of June will reflect that grade of that student for the remainder of the school year. This includes all opportunities for that grade level including trips, conferences, classes and activities.
