

Cornerstone Families:

We are so very excited to welcome you to the new Children’s Ministry Wing at Cornerstone Christian Church! This new space will help us minister to your children in a greater way and provide a safe and fun environment. Please know that there will be changes here and there as we grow into this new space. We will do our very best to make sure that you are aware of those changes as they happen.

The following chart and map will help you to navigate our new space and be aware of where to check your children in and out. Please note that Door 8 will be locked shortly after each service time and opened afterward. The doors from the lobby to the Children’s Wing will be closed at those same times. Families arriving later will need to be escorted back to the programming for their children for that hour.
