

BIG ISLAND JUNIOR GOLF ASSOCIATION WAIVER AND LIABILITY RELEASE

The Big Island Junior Golf Association (“BIJGA”) reserves the right to make any changes to these policies/guidelines before or during an event. Participation in BIJGA and BIJGA events is entirely voluntary.

The World Health Organization (“WHO”) declared the 2019 novel coronavirus disease (“COVID-19”) as a global pandemic. Accordingly, all participants should understand that the BIJGA and its host facilities are committed to operating events in compliance with all applicable government orders, including county, state, and federal orders. All procedures and policies set forth in conducting BIJGA events shall be subject to change based on any future orders issued by the government. The BIJGA and its host facilities expect the participants will adhere to all guidelines issued by governmental authorities, the BIJGA, and its host facilities in connection with each event. A participant’s failure to comply with such guidelines may result in disqualification from the event.

The BIJGA is committed to conducting safe events for its members. However, the BIJGA and its host facilities DO NOT provide any assurance that such events will be conducted risk free, including risk associated with COVID-19. Each participant and parent or guardian must make an independent determination regarding the risks and benefits of participating in any event. By voluntarily participating, each participant and parent or guardian acknowledges that there are dangers associated with attending BIJGA events during a pandemic and agrees to accept the risk of illness or death caused by potential exposure or contraction of COVID-19, or other illnesses in connection with a BIJGA event. Each participant and parent or guardian further understand and agree that the BIJGA and its host facilities cannot provide any assurances regarding health or safety in connection with voluntary participation in any BIJGA event. The BIJGA, in its own and on behalf of its host facilities, disclaims any liability for bodily harm, injury, medical expenses, lost wages, or other costs, liabilities, or damages of any kind or nature (collectively damages) incurred by each participant and parent or guardian due to COVID-19 or other illnesses in connection with an BIJGA event. Each participant and parent or guardian hereby waives and releases any and all known and unknown claims against and agrees to hold harmless: the BIJGA, its host facilities, and their respective employees, directors, officers, agents, representatives, and volunteers with respect to any damages suffered by a participant, parent, or guardian at or in connection with events managed by the BIJGA, including damages incurred as a consequence of or relating to COVID-19 or other illness, whether or not resulting from negligence of any released party.
