

NEW THIS YEAR!!!

2018 District Assembly

Information

Dear Pastors [and delegates],

It is critical that you read the following information closely as it will impact your experience at District Assembly 2018. Please forward this information to your delegation for District Assembly.

- We strongly encourage Pastors and Delegates to **bring their own electronic device** [laptop, tablet, iPad, reader, smart phone] to District Assembly to download and read the District Assembly Delegate Handbook.
- We will have a **limited number** of Fire Tablets at District Assembly for those who need them.
- Approximately 1 week prior to District Assembly, **we will email every pastor and delegate a password to access and download the Handbook** from the South Texas District website on the *Dist Assembly Resources* page. We request that this be done **BEFORE arriving** at District Assembly so that you will not need to access WiFi at Living Word Church.
- We will provide **ONE printed Handbook per church** and a limited number will be onsite for those delegates who are not able to bring their personal electronic device or utilize a Fire Tablet.
