## **Around & About - JANUARY 2026**

**Pastor**  
Rev. Dr. Dezo Schreiner

### ***The Gift That Keeps on Giving***

As I reflect on the life of our church in 2025, gratitude rises naturally and abundantly. This past year has been a true gift, one that continues to give, because it has been shaped by faithfulness, generosity of spirit, and a shared commitment to God's work among us.

I am deeply thankful for each one of you. In ways both seen and unseen, you have allowed God to use your gifts, your time, and your hearts to continue a ministry that now spans 170 years. That is no small thing. Such longevity is sustained by people like you who show up, pray faithfully, serve willingly, and trust God together through changing seasons.

This year, I have been especially grateful for the new perspectives and fresh vision present in our congregation. New ideas, new voices, and new energy are signs of a living church. They remind us that honoring our history does not mean standing still, but faithfully discerning how God is calling us forward in this time and place.

This year, I have been especially grateful for the new perspectives and fresh vision present in our congregation. New ideas, new voices, and new energy are signs of a living church. They remind us that honoring our history does not mean standing still, but faithfully discerning how God is calling us forward in this time and place.

We cannot ignore the suffering of our neighbors and the uncertainty that many experience. The year of 2026 may have its challenges, but I have confidence that God will continue to be with us. And will use us to contribute in making our community safe and welcome for all.

As we look ahead, I do so with hope and confidence. The future before us is bright, not because it will be easy, but because God is faithful, and because we are committed to moving forward together. The same God who has carried this church through generations continues to call, equip, and send us.

Thank you for being part of this remarkable journey. Thank you for your faith, your trust, your perseverance, and your love. Truly, the gift that keeps on giving is God at work in and through this beloved community, and I am grateful to share this ministry with you.

I wish you all a wonderful new year.

# Announcements

## Sunday, January 11th Bring Your Jar to Church Day

The food pantry has received bulk quantities of both olive oil and fabric softener. If you bring an empty jar to church on January 11th, we can fill them with olive oil or fabric softener. We may have some empty jars but it would be best if you brought your own.

**Church Leaders:**  
Please turn in your  
Annual Reports by  
January 9.  
Thank you!

### Do you Have a Favorite Casserole?

For our Annual Meeting on January 18, we will be sharing an old-fashioned potluck dinner. We will have hot dish casseroles, salad, and dessert. Please email, call the church office or sign up on the green sheet to indicate what you plan to bring.

**Help Wanted!** Plan to stay for 45 minutes after church on **Sunday, Jan. 4th**, to take down the Christmas decorations.

**Living Nativity** was a success. The camel, Noah, that has been coming for several years now, injured himself on the day of the Living Nativity, so we had a Lama this year.

We had about 70 cars.

# Welcome Pastor Megan Bedford-Strohm

On September 7, 2025, the Board of Deacons voted to recommend that the Executive Council consider hiring Megan as Pastor of Creativity. On November 8, 2025, the Executive Council voted to bring this recommendation forward for congregational consideration. At a special congregational meeting held on Sunday, December 14, 2025, our congregation voted unanimously to call Megan Bedford-Strohm as our Pastor of Creativity. Megan will begin serving in this part-time role on January 1, 2026.

We are grateful for God's leading in this season and are excited to welcome Megan into this new ministry among us.

### About Pastor Megan Bedford-Strohm

Megan grew up here in Kansas City. After spending fifteen years away, she returned in 2022 with her family. During those years, her journey took her through study, ministry, art-making, and research in communities across the globe.

She holds a Bachelor of Arts in Community Art and Missions from Wheaton College, a Master of Arts in Religion from Yale Divinity School, and a Ph.D. in Theology from Heidelberg University. Megan and her husband, Jonas, were married in 2016 and are now raising their three children in the city she has always called home.

Megan's ministry centers on creativity and community building, both within the congregation and beyond the church's walls. She is dedicated to cultivating spaces that feel like a safe home base—places where people can face the complexities of life together with honesty, faith, and hope.

Her work includes worship planning and artistic initiatives, with a particular focus on nurturing community among children, youth, and young adults, helping them explore faith and follow Christ with imagination and curiosity.

One of Megan's passions is bringing the visual arts into the life of the church through prayer walls, community murals, curated art, and interactive spaces that invite people of all ages to engage their senses and express their faith.

Megan is currently pursuing ordination in the American Baptist Churches USA.

**Welcome!**

# Missions

We are planning a mission trip to Nicaragua in 2027!

Please let Margo Humenczuk know if you'd like to be included in the information sessions on the trip that will be held after the first of the year.

Whether or not you're able to engage in mission with the team, your support of the Savers' clothing and household items drive would be greatly appreciated. Your cast off goods can provide funds for the team training and delivery of water filters to families with no access to clean water. Bring items to church anytime.

## Doing a New Year's Clean Out? Donate unwanted items to our Savers Drive!

Whether or not you're able to engage in mission with the team, your support of the Savers' clothing and household items drive would be greatly appreciated. Your cast-off goods can provide funds for the team training and delivery of water filters to families with no access to clean water.

Savers is a thrift store that will pay the church for items donated to our drive by our members, friends and community. We are paid by the pound for your unwanted household items, kitchenware, nick knacks, clothing, toys, shoes, camping gear, etc. Please pack clean clothing, towels, linens and other soft goods in clean trash bags.

Please bring household items (hard goods) in boxes. There are boxes for clothing, hard goods, books and shoes by the outside door into the commons. We will be collecting for several months, so you have plenty of time to go through closets, drawers, etc.

Remember, all the money earned from the goods taken to Savers will be used for the mission trip costs for water filters, training for volunteers, supplies for VBS done in Nicaragua, etc.

Clean out your closets for the Beloved Community of First Baptist Church Kansas City, MO!

### We Are Collecting

#### CLOTHES

Men's, Women's and Children's Clothes, Coats, Shoes, Scarves, Handbags, Wallets, Fashion Accessories, Ties, Belts, Backpacks, Etc.

#### HOUSEHOLD TEXTILES

Bedding, Comforters, Blankets, Sheets, Towels, Linen, Tablecloths, Curtains, Pillows, Etc.

Please gather clothes and household textiles in bags. All items must be clean and in sellable condition.

The holidays are historically a difficult time for blood donations; however, this holiday season brings added challenges. Our current blood inventory is approximately **5,000 units lower than this same time last year**, making every donation critical as we work to build inventory heading into January.

Please go to [www.savealifenow.org](http://www.savealifenow.org) to find your closest donation location. *Donations made now are essential to rebuilding and stabilizing inventory as we enter the new year.*

### FBC Music — Eyvonne Walker

November is most often considered the month of "thanks" and "giving". For me, my biggest month of thanks comes in January. After the dust has settled from the hustle and bustle that the world has made of the last quarter of the year, after the last cut-off has been conducted and the last pitch of reverberation has sounded in the Sanctuary, that is when my season of thankfulness begins!

I will first, as always, give my thanks and praise to our Almighty God, The Holy Spirit and our Savior Emmanuel, Yeshua, Jesus, for blessing me individually to be in the presence of such willing, multi-talented and dedicated Musicians who willingly and consistently come to enrich the worship of our Beloved Community Congregation! Many blessings to each of you for blessing our Music and Worship Ministries in so many ways: Adesjola Tucker, Marcena Chandler, Sandi Leonard, Aleta Laurence, David Page, Brad Dawdy, Samuel Okwo and Laura Martinez

My thanks continues and extends to our Audio-Visual Team who makes it possible for the efforts of everyone "on the platform" to be seen, heard and archived so that The Gospel can be received as we go into ALL the world to share the message of salvation and everlasting life in Christ: Bill Humenczuk, Matt Clingan, LaMoine "Sunshine" Tatum, Andrew Schreiner and Cameron Leonard

There are still others who work even farther behind the scenes, without whose presence, things would definitely unravel absolutely and completely! Special thanks I give to Robin King, FBC Office Manager/Admin. Assistant and John Fisher, Building and Grounds Dir. Robin's impeccable work is only surpassed by her gracious and unending patience we with me! 😊 And John, the Celestial Ringers couldn't read their music were it not for the repair of the ceiling lights in the Sanctuary!

The purpose and relevance of our Music & Worship Ministries would be of little value were it not for our Congregation! I want to lift my gratitude up to the Almighty for each of you for your responsiveness, for your encouragement and participation in offering our worship to God corporately each Sunday whether in person or online. For it is our time being together in The Spirit that we can multiply our offerings of praise to God and be able to enjoy seeing the outpouring of blessings upon each of us and on our church as a whole. Thank you, Beloved Community for your responsiveness, for completing the green sheets with the titles of your favorite hymns, Christmas Carols and contemporary songs of worship, as well as suggestions to Rev. Dezo about how the Music Ministry can continue to enhance and enrich the worship experience of our congregation. Our FBC Music Ministry is here and blessed for the purpose of serving the Body of Christ. I give thanks for how we stay after worship for the "Hanging of the Greens" and dinner gatherings and support our members who have endeavors outside of our church walls!

As we move into the new year before us, I give thanks and pray that blessings flow on each soul, each family and on those who we reach out to in the coming year!
