

December to Remember

This year TCNO is providing 4 ways to give and serve our community. Each opportunity is a way to give back.

1. Caroling at VA Hospital in Lake Nona: Friday December 14th at 6pm

Many of our veterans have endured hardships that have left them physically sick, hurt, and in many cases, mentally challenged. It is so rewarding to see a smile on their faces and joy return to their hearts. That's what happens when we sing Christmas carols and celebrate with them. Join us as we spread the love of Jesus to our Vets.

2. Caroling at Garden Grove Cir, Winter Park: Friday December 21st at 7pm

Every year, Garden Grove Cir lights up with all kinds of decorations. Cars from all over Orlando come to experience the magical festive light show. We will be handing out Hot Chocolate and Candy Canes to everyone.

3. Give Hope Care Bags

Give Hope Care Bags provides unique bags filled with thoughtful gifts that encourage and lift the spirit of cancer patients. Many cancer patients deal with fear, frustration, anger. Some of them endure this disease alone. TCNO is partnering with GHCB to provide bags for cancer patients in Oviedo. Learn how you can help on Sunday December 9th.

4. Kidstown Facelift Fund

Lake Howell Cafeteria is HUGE. When we moved to Lake Howell, we might have underestimated the amount of time and equipment needed to create a fun, safe, and functional space for our kids. We want to purchase a new pipe and drape system and build 4 new TV cabinets. This system will dramatically reduce the amount of set up and tear down time as well as be esthetically pleasing. We hope you will commit to helping us by giving to build a better Kidstown for our kids and the new kids to come. Look for this opportunity on December 23rd.
