GRACE TEMPLE BAPTIST CHURCH

AUGUST 2026

Greetings,

August has arrived, bringing that familiar Texas blend of lingering summer heat and the first subtle hints that fall is quietly approaching. As families prepare for a new school year, we want to begin this month by lifting up all our children in prayer. After a summer filled with rest, fun, and adventure, they now step back into classrooms, new routines, and new challenges. We pray for God’s protection, provision, and presence over them; may He guard their hearts, steady their minds, and surround them with His peace each day.

As our kids return to school, we also look forward to restarting our Good News Club at Bishop Arts STEAM. This ministry continues to be a beautiful opportunity to share the gos- pel with children right where they are. We want to thank every volunteer who serves faith- fully and joyfully. Your dedication makes an eternal difference. Please join us in praying for our volunteers and for every child who will attend the club this year; that God would open their hearts, strengthen their families, and draw them closer to Him throughout the year.

We also want to celebrate the wonderful summer we’ve enjoyed together as a church family. From special events, camps, mission trip, to times of fellowship, God has blessed us with joy, unity, and meaningful moments. Thank you to everyone who participated, served, and helped make this summer memorable.

As we move into August, we’re excited to announce that Wednesday night meals will be starting up again. These midweek gatherings are a cherished time to pause, share a meal, and connect with one another. We hope you’ll join us and invite someone who could use a warm meal and a warm welcome.

Our memory verses for the month are James 1:19–20:

My dear brothers and sisters, take note of this: Everyone should be quick to listen, slow to speak and slow to become angry, because human anger does not produce the righteous- ness that God desires.

These verses speak directly to the kind of posture God calls us to carry into every season, especially one as busy as August. As new schedules begin and as pressures rise, Scrip- ture reminds us to slow down, listen well, speak with grace, and guard our hearts against anger. God desires to shape righteousness within us, and these verses show us the path- way: patience, humility, and a willingness to let the Holy Spirit guide our responses.

As we step into August, may God bless this new season with growth and renewed pur- pose. Please be sure to check the church calendar for all the other events happening this month.

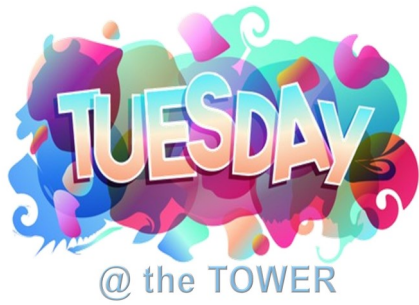

Blessings,
Pastor Marco
