

WELCOME URIEL OLGUIN

We are excited to announce that Uriel will be joining us this month as our Youth Pastor. Uriel is a graduate of East Texas Baptist University. In 2016, he received his Bachelor degree in Religion with a concentration in Youth Ministry. In 2019, he received his Master of Arts in Christian Ministry.

Uriel has been active in ministry since high school. Serving as a youth leader and mentor throughout college, attending various camps, Discipleship Now events and has worked with the North American Mission Board. Currently, Uriel is serving at his home church with the youth and young adults.

Last month, the committee invited Uriel to spend a weekend with us to interview, serve alongside our youth for an outreach project, fellowship and was a guest speaker for Sunday School. It is evident that Uriel loves the Lord through his desire to lead and mentor students as well as teach God's word in a manner that students can not only understand but most importantly apply to their life. We had a great time with him and we know our youth did as well.

Church, please pray for Uriel as he prepares for the move to Grace Temple from Longview and as he ministers to our students in 2021.
