

Growing in Gratitude - Rediscovering the Joy of a Thankful Heart

by Mary Mohler

Thursday, July 18, 2019, 7:00 - 9:00 PM

Judy Severance and Lauren Smith

Meeting at: David and Lauren Smith, 26538 Isabella Parkway, Canyon Country, CA 91351

The author's stated purpose in writing the book "is to encourage you to embrace the life-changing virtue of gratitude, and to let it spill out into everything you say and do."

"All Christians should be known as characteristically grateful people. We, above all humans, have overwhelming cause to be thankful...(But does the world) too often see us as complainers or moody types who are frustrated and fraught with worry, just as they are?" Pg. 15

God is in the business of transforming our hearts. Please read the book. At the end of each chapter (there are eight), the author asks two questions. Please choose one from each chapter to answer and come prepared to discuss your answer with our group of ladies.

Come also prepared to discuss one way in which you were particularly challenged and one thing you want to change as a result of reading this book.

See you on July 18!

Blessings,

Judy and Lauren
