

Time out!: The gift or god of youth sports

led by Lori Wellons
and Rebecca Reyes

This book can be an encouragement to any mom with a child in or in the future will be in any extra-curricular activity. Just replace all the talk of sports and transfer it to whatever you're considering having your child involved in. Be it music, art, or anything else.

"Sports as ultimate turns a good thing into an idol. Idols are almost always good gifts of God that are treated like God-as the ultimate source of satisfaction. This is why I say we must cautiously celebrate the gift of sports. We must be discerning and cautious of how the human heart can turn good things into ultimate things. That is the aim of this book-to celebrate the good and warn of the bad."

Please come prepared to discuss whatever the Lord has laid on your heart. We don't have formal questions prepared, we would just like to share a few highlights from each chapter and have you share yours. We will be having a group discussion as well as a question and answer time.
