

TRACKERS HANDBOOK

The Tracker book provides weekly verse memorization and activities for Trackers supported by parents in preparation for Club. Here are some tips in making the most of your child's experience:

Spend 5 minutes each day helping your Tracker memorize their weekly Bible verse. Every lesson is listed in the book, so you can read the Bible passage associated with it and review their memory verse.

Repetition of the verses is important and helpful in memorizing Scripture.

Do all the activities in the book.

Trackers are encouraged to memorize their verse at home, as this helps build a strong foundation in God's Word. Our leaders are glad to partner with you by reviewing the verse together during small group time.

IMPORTANT RULES

- 1. Please take your child to the restroom** prior to coming to Adventure Club. This will help table leaders greatly.
- 2. Please do not drop off your child before 6:15pm.** This makes it difficult to set up the room for club. If you must come early, please stay with your child until your Tracker leaders or Directors are ready to care for your child.
- 3. Parents are welcome to stay during Opening Ceremony**, to watch their clubbers recite their Bible verse with the Commanders and sing the Adventure Club theme song.
- 4. Snacks.** Please volunteer to bring snacks and coordinate with the Directors.

This is very important:

- 5. Please pick up your child promptly between 8:15 - 8:30 pm.** You, or a *pre-arranged* adult, must pick up your child. Leaders will not allow your child to be picked up without the parent or pre-arranged adult present.

After Adventure Club is over, please feel welcome to stay and talk to your leaders or other parents. *However, please make sure your Trackers are being supervised.*
