ESSENTIALS

St. John is a church worth going to every week
because.....

St. John is a Great Place to Raise Your Family in Faith

We all want a home and family blessed by God, but most days it seems like that's more wishful thinking than actual reality. What if the Bible gave concrete advice on how to create a culture of blessing in your home and family? Guess what? It does! In this series, we will look closely at the Beatitudes, statements from Jesus of God's Blessing, and to whom they come. If you have children or grandchildren, and you want them to grow up in a blessed home, you can't miss this series.

Do you have adult children who live out of town? Tell them to watch online at stjohn.tv
