

## Angel Academy Announcement:

We are sad to announce that Angel Academy Preschool will be taking a hiatus for the 2021-2022 school year. This decision was very difficult for the Angel Academy board of directors. After accepting resignations from the director and teachers it was decided that a hiatus would be the proper way to go. With such a short time before the start of next school year it wasn't feasible to hire a new director and staff and fulfill the mission of offering a quality preschool program. In the coming months please pray for the Angel Academy board as they discern what the plan is for the future.
