Costa Rica Short Term Missions Trip June 20-27, 2020

Pastor Jimmy Agan and Elizabeth Sablon will be leading a Short Term Mission Trip to Costa Rica with a team of Intowners. On this trip your heart will engage a culture and community different than your own in a way that builds up His Kingdom. The goal is that your lives as well as the Costa Ricans you will form relationships with will be transformed through the Gospel.

Teams will have the opportunity to participate in a variety of ministries such as: evangelism/outreach, church leadership training, construction, youth ministry, and ESL training. Whatever you are asked to do, we are confident that God has a purpose in your going to Costa Rica. We are confident God will use this time to work IN your life just as much as the work you are able to see accomplished in the time you spend there.

This Short Term Trip is from a Saturday - Saturday. The cost of the trip is \$800.00 plus airfare.

The Costa Rica team would like the Intown team to be formed with commitments by January 1, 2020.

A \$100.00 deposit needs to be made with that commitment. Checks can be made out to Intown Community Church with a memo of CR Trip June 2020.
